## TRAINING SLOTS

### Aix-les-Bains, Bourget Lake (racing site)

As mentioned in previous Bulletins & Newsletters, training slots will be available on Monday 24th, Tuesday 25th and Thursday 26th August 2026 at lake Bourget. Training slots will be organized over the 3 days to allow all teams to train once, as we obviously won't be able to accommodate the 170 teams at the same time.

DAY	PROGRAM	CAPACITY
Monday 24th August 2026	Training sessions	About 60 teams
Tuesday 25th August 2026	Training sessions	About 60 teams
Wednesday 26th August 2026	Training sessions	About 60 teams

Training slot reservation at Bourget Lake opens in September 2025.

### Annecy, Annecy Lake

The Organizing Committee is working hard to offer the possibility to train at Lake Annecy, another beautiful blue lake at the foot of the mountains, just 30 minutes from Aix-les-Bains. These optional additional training slots will be open to all teams on a pay-as-you-go basis. More details to follow. This is also a great opportunity to visit Annecy, the little Venice of the Alps.

Bookings for optional additional training slots at Lake Annecy opens in September 2025.

## ENTERTAINMENT PROGRAM

---

Training is good, having fun is even better!

To keep you entertained during the first 3 days of the festival, the organizing committee is currently working on a program of various activities. More details will be announced later, but you can already plan to have a good time at the race site.

- > Dragon Dance Initiation
- > Tai Chi Demonstration and Initiation
- > Film & Medical Discussions

## MEALS

---

Fancy a good French meal without the hassle of booking a restaurant for 22+ teammates? During the first three days of the festival, you will have the opportunity to eat on the racetrack: lunch and dinner. These meals, which are not included in the package, can be booked from September 2025.
